## TABLE OF PROVISIONS BROUGHT INTO FORCE

---

### Note:

This table provides readers with the dates of coming into force of every section in the Statutes of Québec assented to between 1 January 1978 and 31 December 2007. It should not be confused with the Table of Amendments, which lists all amendments that have been made to the Revised Statutes of Québec.

The sections fixing the manner in which each statute comes into force have not been included in this Table.

This Table does not take account of dates of taking effect.

Please note also that where a legislative amendment to a title has required a new alphanumerical Revised Statute designation for an annual statute, the information concerning that statute will continue to be listed under the annual statute number and for the purposes of this Table, the original alphanumerical designation has been retained.

Certain provisions listed as **Not in force** (Nif) in this Table will remain as such because subsequent provisions have since been enacted and have come into force to repeal, replace or otherwise render inoperative the original provisions which as a result, will never be brought into force.
